Memberships will be of two types: a) Household Memberships and b) Institutional Memberships.

2.2 Admission: Applicants shall be admitted to membership upon paying a minimum installment of the member equity requirement, as determined by the Board of Directors. In the event of questionable eligibility, admission shall be subject to approval by the Board of Directors at any time before or within six months after admission to membership. Memberships are not transferable.

2.3 Rights: Each active member as described in Section 2.4 shall have the right to receive a copy of these bylaws. Active members shall have equal rights in regard to the governance of the Co-op through participation in membership meetings, eligibility to serve as a director, and otherwise as described in these bylaws. Household Memberships shall be entitled to patronage rebates written to the primary member, as stipulated by the Board on all purchases from the Co-op, and in addition, each Household Membership will be entitled to one vote in all matters submitted to a vote of members. Institutional Memberships will each be entitled to one vote in all matters submitted to a vote of members, and will be entitled to patronage rebates as set forth by the Board. An inactive member as defined in Section 2.6 b may not serve as a director, will not be counted in calculation of any quorum requirement, will not be eligible for any member discounts and will not be eligible for patronage rebates as set forth by the Board.

2.4 Responsibilities: Members shall abide by these bylaws, by decisions made at membership and Board meetings, and by the means established in these bylaws to amend such decisions. The rights and obligations of members, including their rights and obligations concerning member equity, are subject to the bylaws as

they may be amended from time to time. To maintain active membership, members shall be required to meet current equity requirements; make purchases in the store within a two-year period and advise the Co-op of any changes of name, address, or other contact information.

2.5 Access to Information: Reasonably adequate and timely information as to the organizational and financial affairs of the Co-op shall be provided or made available to all members. Members shall be provided access to the financial information of the Co-op for a proper purpose and at a reasonable time, subject to the approval of the Board.

2.6 Termination: Membership may be terminated in the following ways:

- a) By a member upon notice to the Co-op;
- b) By the Board of Directors whenever a member has been inactive for two years: that is, whenever a member fails to meet the member equity requirements for two (2) consecutive years, or fails to patronize the Co-op for a two-year period, or fails to advise the Co-op of a change of address within a reasonable time.
- c) By the Board of Directors for good cause after a fair hearing at which the member is given the opportunity to speak and present evidence, provided that such person is accorded a right of appeal at the next membership meeting.

Upon termination of membership for any reason, member equity payments shall be redeemed in accordance with Article 8 below.

Article 3 - Membership Meetings

3.1 Annual Meeting: An annual membership meeting shall be held in the fall of each year at a time and place determined by the Board of Directors and announced no less than thirty (30) days in advance of the meeting via a membership-wide mailing and prominent notices in the store. The announcement shall include the proposed agenda of the meeting and a complete description of any issues which will be voted upon by the membership. Decisions on issues not included in the notice of a meeting shall be of an advisory nature only. The purpose of the annual meeting shall be to hear reports on operations and finances, to review any important policy issues or other matters that vitally affect the Co-op, to elect directors, and to conduct such other business as may properly come before the meeting.

3.2 Special Meetings: Special membership meetings may be called by the Board or by petition of at least five percent (5%) of membership, subject to the same notice requirements as the annual meeting.

3.3 Quorum: The presence in person or by absentee ballot at the opening of the meeting of at least three percent (3%) for annual meetings and five percent (5%) for special meetings of all members shall be necessary and sufficient to constitute a quorum for the transaction of business at any membership meeting.

3.4 Decisions: Members may vote as described in Section 2.3, in person or by absentee ballot as determined by the Board. In voting for directors, each member may cast as many votes as there are positions to be filled, but no more than one vote may be cast for any one candidate. Otherwise each member shall have one vote in all matters submitted to a vote of members. All issues shall be decided by a majority of members voting except where otherwise required by law or by these bylaws. Voting may be by show of hands, voice vote, written ballot, or absentee ballot, as determined by the Board. The election of directors shall be by written ballot supplied by the Co-op. The Board shall provide for absentee voting by written ballot, and shall establish fair means by which votes will be tallied. Voting by proxy will be accepted only for changes in the structure of the Co-op for which Massachusetts law requires a two-thirds (2/3) vote.

Article 4 - Board of Directors

4.1 Powers and Duties: Except as to matters reserved to membership by law or by these bylaws, the business and affairs of the Co-op shall be directed and controlled in the interests of members by a Board of Directors (sometimes referred to in these bylaws as "the Board"). The powers and duties of the Board

shall include, but not be limited to: engaging and monitoring the performance of a general manager, overseeing the financial conditions, setting membership policies, ensuring good conditions of employment and assuring that the purpose and principles of the Co-op are properly carried out.

4.2 Requirements and Qualifications: The Board shall consist of nine directors. To be qualified to serve as a director, a person shall be a member of the Co-op, be at least 21 years of age, and not be an employee of the Co-op. The composition of the board must conform to all federal, state, and local laws and regulations, including liquor license laws if the Co-op has a liquor license.

4.3 Nomination: The Board may establish a nominating committee to solicit and review applications for nomination to the Board, and to present a slate of nominees to the members for consideration. In the event that federal, state, or local laws or regulations place limits on the composition of the board based on some characteristic (e.g., state of residence), the board shall not nominate a slate of candidates that would conflict with these laws or regulations. Members in good standing not selected by the nominating committee shall be placed on the ballot upon submitting a petition signed by at least ten (10) members in good standing. Said petition must be received not less than forty-five (45) days prior to the annual meeting. The Co-op shall equitably provide information on all candidates to the members.

4.4 No more than one person from any immediate family or household may serve as a director.

4.5 Election and Term: Directors shall be elected at the annual meeting of the members of the Co-op. The term for each director shall be three (3) years. Terms shall be staggered so that one-third (1/3) of the directors are elected to full terms each year. Directors may not serve more than three (3) consecutive full three-year terms. A former director who has served three consecutive terms is eligible to serve on the Board after having been off the Board for a period of one (1) year.

4.6 Compensation: The compensation, if any, of the directors shall be determined by the Board, and shall be published in the annual report to members. The level of compensation shall be reasonable, and shall be set at a level that will not jeopardize the interests of the Co-op. The Co-op shall reimburse directors for reasonable expenses incurred in carrying out their duties and responsibilities.

4.7 Conflicts of Interest: Directors shall be under an affirmative obligation to disclose their actual or potential conflicts of interest in any matter under consideration by the Board of Directors. Directors having such an interest shall absent themselves from discussion and decision of the matter unless otherwise determined by the Board. A director may, during his or her term of office, be a party to a contract for profit with the Co-op, provided such contract does not give the director any special benefit solely because of his or her status as director.

4.8 Termination: The term of office of a director may be terminated prior to its expiration in any of the following ways:

- a) voluntarily by a director upon notice to the Co-op;
- b) involuntarily, with or without cause, by action of a membership meeting; and
- c) involuntarily for cause, which shall include but not be limited to termination of membership, absence from three (3) regularly scheduled consecutive Board meetings or four (4) meetings in a year. Such termination will require a two-thirds (2/3) vote of the Board after a fair hearing at which the director is given the opportunity to speak and present evidence, provided that such person is accorded a right of appeal at a membership meeting.

4.9 Vacancies: If a vacancy occurs on the Board between annual membership meetings, the remaining Board members may appoint a replacement to fill the term of the departing director.

4.10 Special Provisions regarding liquor license. As of the enactment of this section of the By-laws [Nov. 1, 2016], the Co-op holds a liquor license. Current Massachusetts law provides that all directors of a corporation holding a liquor license must be citizens of the United States and a majority of its directors must be residents of Massachusetts. As long as the Co-op holds such liquor license, no person shall be

qualified to serve as director who is not a citizen of the United States. In the event that the result of an election of directors would be a Board which is not composed of a majority of Massachusetts residents, directors shall be chosen in the order of the number of votes they receive so as to bring the composition of the Board into compliance with Massachusetts law and any other applicable law or regulation. In the event that there is a change in the citizenship of a serving director, the term of office of that director shall be terminated by the Board as provided in Section 4.8 above and the remaining Board members will appoint a replacement as provided in Section 4.9 above. In the event of a change in the residence of a serving director and such change causes there to be less than a majority of Massachusetts residents on the Board, the term of office of that director shall be terminated by the Board as provided in Section 4.8 and the remaining Board members will appoint a replacement as provided in Section 4.9 above.

Article 5 - Meetings of the Board

5.1 Convening: The Board of Directors shall meet on a regular basis. Meetings of the Board may be called by the Board, in which case no notice to directors will be required, or by the President or any two directors, in which case notice of the time and place of such meeting will be required no less than five (5) days prior if notice is written, or two days prior if oral. Notice of all Board meetings shall also be posted conspicuously at the Co-op store as soon as practicable after a meeting is set.

5.2 Open Meetings: Meetings of the Board shall be open to members unless closed by the Board as to a particular issue of a sensitive nature. Such closed sessions shall be for purposes of discussion only and no votes shall be taken at such sessions.

5.3 Quorum and Decision Making: The presence in person at the opening of the meeting of a majority of directors shall be necessary and sufficient to constitute a quorum for the transaction of business at any meeting of the Board. Decisions of the Board shall be made by majority vote of directors present.

Article 6 – Committees

6.1 Committees: The Board may designate committees to perform designated functions. Committees exercising the powers of directors shall be composed of directors.

Article 7 – Officers

7.1 Designation: The officers of the Co-op shall consist of President, Vice President, Treasurer, Clerk, and such other officers or assistant officers as is determined by the Board. The offices of Treasurer and Clerk may be held by the same person. All officers shall be directors.

7.2 Election and Term: Officers shall be elected annually by the Board at its first meeting following the annual membership meeting. Officers shall serve for terms of one year or until election of their successors, and may serve no more than five consecutive terms. Officers may be removed at any time, with or without cause, by the Board.

7.3 Duties: Officers shall have the following duties and such additional duties as are determined by the Board:

- a) The President shall preside at all Board and membership meetings and, as authorized by the Board, sign formal documents on behalf of the Co-op;
- b) The Vice President shall perform the duties of President in his or her absence and shall, as requested, assist the President in the performance of his or her duties;
- c) The Treasurer will help develop the Board's budget in consultation with the President and General Manager and will facilitate the Board's understanding of the financial condition of the Co-op, and shall, as authorized by the Board, sign formal documents on behalf of the Co-op; and
- d) The Clerk will make sure the Board's documents are accurate, up to date and appropriately maintained and shall, as authorized by the Board, sign or attest to formal documents on behalf of the Co-op.

Article 8 - Members' Equity

8.1 Member Equity Requirements: Member equity requirements shall be determined by the Board of Directors in accordance with the current or prospective capital needs of the Co-op and shall be paid within the time specified by the Board. Different requirements may be set for household and institutional members, but such requirements shall be uniform among members of the same type.

8.2 Accounting: Member equity payments shall be credited on the books of the Co-op to capital accounts in the names of contributing members. To the extent practicable, the Co-op shall segregate the proceeds for use only in acquiring capital assets or discharging related liabilities.

8.3 Redemption: Members must request redemption within thirty (30) days following termination of membership, pursuant to Section 2.6. Member equity payments shall be redeemed within sixty (60) days of approval by the Board of Directors following termination of membership and request for redemption. Withholding of approval shall only be for good cause, including that such payments would violate loan agreements or other contractual obligations of the Co-op or would jeopardize the solvency of the Co-op. In no event shall redemption proceeds exceed the total of the member's equity payment(s). Redemption proceeds shall at all times be subject to being offset by amounts otherwise due and payable to the Co-op. Departing members wishing to donate their equity deposits to the Co-op may make this wish known in writing, and the funds will be recorded as income taxable to the Co-op. If a member fails to request redemption of his/her equity deposit within thirty (30) days of termination of membership, then the redemption amount allocated to the member in question shall be forfeited by the member and allocated as income taxable to the Co-op.

8.4 Involuntary Redemption: Members who do not maintain active membership as provided in Section 2.4 and whose membership is terminated by Board action shall be eligible for equity redemption in accordance with Sections 8.3 and 8.6.

8.5 Annual Installments: Members who choose to pay their member equity requirement in annual installments must make required installment payments on time to remain in good standing. In the event that a member fails to make a required installment payment, the member will be placed in inactive status until the member's account is returned to good standing. Members who remain inactive for two (2) years, or who fail to notify the Co-op of their intention to terminate their membership, may have their membership terminated, and redemption of the equity deposit may be made in accordance with Section 8.3.

8.6 No Known Address: In case the Board deems it necessary to refund member equity, notification of such a refund and the sum of the refund amount shall be sent to the member by U.S. regular mail delivery to the last known address for the member in the Co-op's records. If any such notification is returned to the Co-op as undeliverable, then the redemption amount allocated to the member in question shall be forfeited by the member and allocated as income taxable to the Co-op.

Article 9 – Notice

9.1 Notice: Any notice required under these bylaws shall be deemed delivered when deposited in the United States mail with names and addresses as they appear in the records of the Co-op.

9.2 Waiver of Notice: Any notice of a meeting required under these bylaws may be waived in writing at any time before or after the meeting for which notice is required. The attendance of any person at a meeting shall constitute a waiver of notice of the meeting except where the person attends for the express purpose of objecting to the transaction of business because the meeting is not lawfully convened.

Article 10 – Indemnification

10.1 Liability: No member or member organization of Wild Oats Co-op shall be liable for any

indebtedness or obligation of Wild Oats Co-op in an amount exceeding such member's unpaid current dues, personal accounts payable, and any duly authorized levy or special assessment.

10.2 Indemnification: Subject to the limitations in this Article, Wild Oats Co-op shall indemnify its current and former directors and officers against all losses and expenses, including reasonable attorneys' fees, to which they may become subject by reason of their positions with Wild Oats Co-op or their service in its behalf. Such indemnification shall apply whenever such person is a party or is threatened to be made a party to any action, suit, or proceeding, whether civil, criminal, administrative or investigative. Such indemnification shall include direct payment or settlement of liabilities and potential liabilities. Payment of expenses incurred in defending a suit or proceeding in advance of its final disposition may be made only upon receipt by Wild Oats Co-op of a contractual undertaking by or on behalf of such person to repay such amounts unless the person shall be determined to be entitled to indemnification under this article.

10.3 Limitations: Indemnification shall only be provided if the person is determined to have acted in good faith and in the reasonable belief that his or her action was in the best interests of Wild Oats Co-op, or, in regard to criminal actions, that such person had no reasonable cause to believe that his or her action was unlawful. If such determination is not made in a legal proceeding related to the claim, it may be made by a quorum of disinterested directors or by independent legal counsel selected by such quorum. If not made or able to be made by either, the determination shall be made by independent legal counsel selected at a membership meeting. In any action by or in the right of Wild Oats Co-op or in which such person is charged with receiving an improper personal benefit, indemnification shall be provided only as to reasonable expenses and only if the person is not adjudged liable to Wild Oats Co-op on such basis.

10.4 Payments: Indemnification payments and advances of expenses shall be made only in such increments and at such times as will not jeopardize the ability of Wild Oats Co-op to pay its other obligations as they become due. All such payments made shall be reported in writing to members with or before the notice of the next membership meeting.

Article 11 – Bylaws

11.1 Severability: In the event that any provision of these bylaws is determined to be invalid or unenforceable under any statute or rule of law, then such provision shall be deemed inoperative to such extent and shall be deemed modified to conform with such statute or rule of law without affecting the validity or enforceability of any other provision of these bylaws.

11.2 Amendment: These bylaws may be amended or repealed in whole or in part by vote of two-thirds (2/3) majority of the active members voting at a membership meeting or by absentee ballot, provided that notice stating the substance of the proposed amendment was included in the notice of the meeting. The directors may amend or repeal these bylaws in whole or in part, except with respect to any provision thereof which by law, the Articles of Organization, or these bylaws, requires action by the members. Within sixty (60) days of any such repeal or amendment of the bylaws by the directors, notice stating the substance of the change shall be given to the members. In addition, notice of any repeal or amendment of the bylaws by the directors must be included in the notice of the next membership meeting. Any action by the directors to repeal or amend a bylaw must be ratified by a two-thirds (2/3) majority of the active members voting at the next membership meeting or by absentee ballot, or such action will be deemed to be nullified.

Article 12- Patronage Dividends

12.1 Distributable Net Earnings: At the end of the fiscal year, the Board of Directors shall determine how much of net earnings will be distributed as patronage dividends. Distributable net earnings may not exceed the net income attributable to sales of merchandise to members. Income from activities other than sales of consumer goods shall also be excluded.

12.2 Allocation to Members: Distributable net earnings, as so determined, shall be allocated among

active members in proportion to their patronage and distributed as patronage dividends. Patronage shall be measured by the dollar amount of purchases from the Co-op. Any allocations of such a nominal amount as not to justify the expenses of distribution may, as determined by the Board of Directors, be excluded from distribution, provided that they are not then or later distributed to other members. Members shall retain the right to waive in whole or in part, any patronage dividends to which they may be entitled. Any patronage dividend refused by a member shall be reallocated as income taxable to the Co-op.

12.3 Notice and Distribution: Patronage dividends shall be evidenced by written notice of allocation delivered to recipient members within eight (8) months and fifteen (15) days following the close of the fiscal year. Each notice shall state the dollar amount of the patronage dividend. All notices, except those subject to Section 12.6 of this article, shall be accompanied by checks in amounts determined by the Board of Directors, which must be at least twenty percent (20%) of the amount allocated to each member.

12.4 Consent of Members: By endorsing and cashing a qualified check or coupon paid as a part of the patronage dividend on or before the 90th day after the close of the payment period for the taxable year for which such patronage dividend or payment is paid, each member shall thereby consent to take into account, in the manner and to the extent required by Sections 1381 through 1388 of the Internal Revenue Code, the stated dollar amount of any qualified written notice of allocation in the taxable year in which such notice is received. (See summary explanation below.)

12.5 Deferred Amounts: Patronage dividends not currently distributed under Section 12.3 of this article shall be credited to revolving capital accounts in the names of recipient members. Such deferred patronage dividends shall accrue no monetary return on investment and shall not be transferable. They shall be redeemed at no more than their carrying value on the books of the Co-op when determined by the Board of Directors to be no longer needed for capital purposes of the Co-op. At that time they shall be redeemed in the order of the oldest outstanding amounts and on a pro rata basis among such amounts and shall be payable only to persons who are then members in good standing or who become so within ninety (90) days of the effective date of redemption. Members shall retain the right to waive in whole or in part, any patronage dividends to which they may be entitled. Any patronage dividend refused by a member shall be reallocated as income taxable to the Co-op.

12.6 Allocation of Net Loss: In the event the Co-op shall incur a net loss in any fiscal year, such loss may be charged against retained earnings or other unallocated members' equity accounts. If the net loss exceeds such amounts, or in any event if the Board of Directors so determines, the amount of such loss may either be carried forward to offset adjusted net earnings of subsequent fiscal years or allocated to members in the same manner as for adjusted net earnings except that such allocation shall not exceed the total of invested capital. Any such allocated net loss shall be charged first against retained patronage dividends of prior fiscal years and then against patronage dividend allocations of subsequent fiscal years. Allocated net losses shall not otherwise be assessed to or collected from members.

12.7 No Known Address: Patronage dividends and/or notice of patronage dividends shall be sent to members by U.S. regular mail delivery to the member's address in the Co-op's records. If any such notice or dividend is returned to the Co-op as undeliverable, then the patronage dividend allocated to the member in question shall be forfeited by the member and retained by the Co-op as taxable income.

12.8 Sales of Alcoholic Beverages: Any profits that accrue from the sale of alcoholic beverages must be accounted for separately from profits that accrue from other sales and those profits cannot be used to distribute to members or to reduce costs to members. All alcohol sales shall be available to the public without discrimination. Special discounts to members will not apply to the sale of beer and wine; however, any discounts that are available to the general public can apply to Co-op members.

Explanation of Patronage Refund Consent Provision

Patronage rebates are taxable only to organizational or business members, or to individual members, if that individual member's purchases are for business or other income-producing purposes. Individuals whose Co-op purchases are for "personal, living, or family items" do not pay tax on their patronage rebates.

Disclaimer: The Co-op cannot give definitive advice on the tax consequences of patronage rebates to any member; members are encouraged to seek their own tax advice.
