It's easy to setup. How it works:

- **Sign up at any cash register** with a parent or supervising adult.
- Get your active **Super Official Co+op Explorer Kid Card**.
- Pick one piece of fruit per shopping visit from the **Co+op Explorer Basket stand**.
- **Eat your piece of fruit** while you shop and dispose of remains in our composting bins.
- Show your **Super Official Co+op Explorer Kid Card** at check out.
- Let the cashier know that you ate a piece of fruit under your **Super Official Co+op Explorer Kid Card** membership so we can track participation in the program for the store.
- Plus, ask the guest service desk for stickers when you shop.
